

Jasper Community Team members work together to create the conditions in Jasper where residents of all backgrounds and abilities can thrive and achieve optimal wellbeing across the life-span. Members take part in life-stage focused Community Conversations where participants identify social trends, problem solve together, provide mutual support, and seize opportunities to work together.

**School Age Community Conversation Notes

Municipal Council – * Click this heading to read the full Council Highlights

Community Outreach Services

- A trend noticed is there is a gap in day camps and programming for children over the 12yr age group. Community members have identified that this age group does best with some sort of supervision, which is difficult for parents who are working during the day. Opportunities outside of technology are needed.
- Come to centennial park on Friday June 25th, 2021 between 2-4pm to find out about all summer programming that will be available and to chat with outreach workers. The Kaos calendar is finalized for July and August and will be available on Friday June 25, 2021 at Centennial Park also.

Settlement services:

- Final Cultural Kitchens is this coming Sunday. The special ingredient is green plantain and Chris Woo has them for purchase at the COS office. Make sure to pick them up prior to Cultural Kitchens!

Community Development

- Community Development is looking for community members to “Host Your Own Community Conversation”. This program is aimed at gaining insight from community members who don’t regularly attend the standard community conversations. Community Development wants to know what you like about living in Jasper, what challenges you face, and how we could make Jasper a better place to live. Each participant will receive a 10-dollar gift card to a local business for their engagement. Email Lindsey at lgartner@town.jasper.ab.ca to secure a spot and receive the conversation guide.

Non-Profit Sector

Jasper Municipal Library

- Registration for the summer reading club starts July 10th. There will be take home story books and activity gifts after July 10th available at the library.
