

Tidy Up Tuesday

at 2:00pm for 20 minutes on May 12

Help beautify our town!

The Communities in Bloom committee invites residents and business owners to participate in beautifying our community in preparation for the Communities in Bloom competition.

There are simple things you can do around your property to be a part of this community-wide initiative:

- Sweep the sidewalk, gutter and parking lane;
- Pull weeds;
- Pick-up litter and cigarette butts; and
- Tidy-up back alleys.

Community involvement is what it's all about! Take pride in the appearance of your business or front yard to help improve the tidiness, appearance and visual appeal of our neighborhoods.
