

**JODY Anderson** has been an active member of the Jasper community for many years. Your children will know her well as the former school librarian. Jody has her ECE Diploma and over 20 years of experience working with children, working at OOSC since 2012. She loves exploring our community with the children and always has a game or two up her sleeve. Jody is very creative and active and the children always enjoy her positive energy. When Jody isn't at work she spends her time with her children and her pack of poodles!

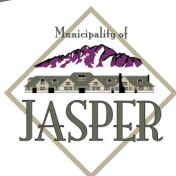

**TRAVIS Flockhart** comes from Adelaide, Australia and completed his Bachelor of Education (primary/middle years) with an English specialization at the University of South Australia. He worked for an out of school care program while completing his degree and then worked as a substitute teacher in Australia. Travis came to Canada in 2014 and fell in love with the mountain lifestyle while living in ski towns around British Columbia. He eventually made his way to the Alberta Rockies and couldn't be happier working with the youth in Jasper. Travis has been at Wildflowers since 2018.

**MIRIAM Molina** is originally from Mexico and came to Jasper 4 years ago. She graduated as a General Nurse from the Center of Scientific and Technological Studies University in Mexico and had the opportunity to specialize in pediatric and emergency care. She has been enjoying her journey in the education field and started working at Jasper Elementary School in 2019 as an Educational Assistant. She became certified that same year as a Level 1 - Early Childhood Educator. She has been a member of the Out of School Care team since November 2020 and is really enjoying the program and the children. In her spare time she loves hiking and being in touch with the nature and spending time with her family and friends.

**ERIN Filan** is originally from Edmonton, Alberta. With a love for the mountains, she has fond memories of weekend ski trips to Jasper as a child and was very excited to move here in 2019. She completed her Secondary Education degree at the University of Alberta. Since graduating, Erin has done some traveling. Along the way, she enjoyed teaching in Eastern Europe and teaching kindergarten at an Alberta accredited school in Mexico. Passionate about art, she finds unique ways to bring more artistic expression into the learning environment. In her spare time, she enjoys crafting, drawing, baking, hiking, skiing and spending quality time with her family.
