

CATHY Stonehouse is the Assistant Manager of the program. She began working for the OOSC program in 2012 and has come and gone with the births of her children. Cathy has a degree in Elementary Education which has offered her the education and experience to meet the needs of our children. She is passionate about her position leading the OOSC group and truly enjoys the opportunity to learn and grow with you and your family. Cathy loves exploring Jasper's incredible surroundings with the children and looks forward to hiking, biking, swimming, and learning through play.

TRINA Cloutier works as an Educational Assistant at the Jasper Elementary School and has worked for the OOSC program for 3 years. She has her Educational Assistant Certificate. Trina is always open to crafting and creating with the children. Her smile and laughter and love of the program is contagious. She looks forward to exploring and growing with your child and family. When Trina isn't at work, you will see her and RJ renovating their home.

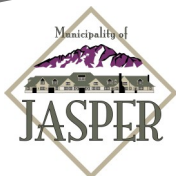

LAURISSA Orich is the newest member of the OOSC team. She has over 5 years of experience working with children and is an active member of our community. Her background includes time at Wildflowers Childcare, The Jasper Elementary School, and the Pre-school program. Laurissa was born and raised in Jasper and is proud to announce that she is expecting her first child in December. When Laurissa isn't at work she enjoys spending time with family and friends.

JODY Anderson has been an active member of the Jasper community for 14 years. Your children will know her well as she is the school librarian and she assists in classrooms whenever needed. Jody has her ECE Diploma and over 20 years of experience working with children. She loves exploring our community with the children and always has a game or two up her sleeve. Jody is very creative and active and we always enjoy her positive energy and smiling face. When Jody isn't at work she enjoys spending time with her 2 children and her pack of poodles!

CHARLOTTE Lyons has recently joined our team. She moved from Ontario after completing her Early Childhood Education program. Charlotte loves hiking, biking, and anything outdoors. She has enjoyed exploring Jasper with the children and is excited to see what Fall and Winter bring to the mountains.
